Stylish presentation of pictures, ideas and information

A speedy solution for improved, more stylish presentation of pictures, ideas and information. From charts and models to photos of employees. The Smart Pocket Rail can be used for a very wide range of applications and is suitable for internal and external use.

It is an ideal system for presenting content in a vivid way. It also transforms a boring wall into a dynamic part of the room.

The Smart Pocket Rail is mounted to the wall with clips. You can easily click the acrylic pockets into this rail. You can choose from an A4 or A3 size. Because of the notch at the back and side of the pocket, you can change the content very quickly and easily,

without having to remove the smart pockets from the rail.
